Course: BPS 206 Foundations of Cannabis Studies _____

Department, College: BPS/Pharmacy _____

Faculty Member: Stephanie Forschner-Dancause _____

Date returned to Faculty: 03-03-2020 _____

Librarian Completing Assessment: Joanna M. Burkhardt _____

Collection Management Officer: Joanna M. Burkhardt _____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The library has both monographic and journal holdings covering relevant subject categories. The allocation for the purchase of monographs for Pharmacy for 2019-2020 is approximately \$12,000. The database/journal subscriptions are not broken out by department or college.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

The Library currently has access to the journal databases described in the Faculty Questionnaire.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

No new library resources are required for the support of this course.

4. What information mastery sessions will be required for the students?

As this is an online class, students should be directed to the series of online tutorials at the library website for instruction in using library databases.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no new costs to the library for the support of this course.
