Course: BPS 312 Cannabis Chemistry and Pharmacognosy_____

Department, College: BPS/Pharmacy_____

Faculty Member: Stephanie Forschner-Dancause_____

Date returned to Faculty: 03-03-2020_____

Librarian Completing Assessment: Joanna M. Burkhardt_____

Collection Management Officer: Joanna M. Burkhardt_____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The library has current holdings in relevant subject categories. The allocation for the purchase of monographs for Pharmacy for 2019-2020 is approximately \$12,000. The cost of journal subscriptions and databases is not broken out by department or college.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

The library has online access to the essential journals/database noted in the Faculty Questionnaire. We also have online access to the journal in the recommended category as well.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

There are no new library resources required for the support of this course.

4. What information mastery sessions will be required for the students?

Students may access the online tutorials for instruction in the use of library databases and finding high quality articles at the Library's website.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no new costs to the library for the support of this course.
