UNIVERSITY OF RHODE ISLAND

FACULTY SENATE
BILL

Adopted by the Faculty Senate

RECEIVED
UNIVERSITY OF R. I.
MAY 23 1972
OFFICE OF THE PRESIDENT

TO: President Werner A. Baum
FROM: Chairman of the Faculty Senate

1. The Attached BILL, titled CURRICULAR REPORT FROM THE GRADUATE COUNCIL
TO THE FACULTY SENATE Report No. 1971-72-12

is forwarded for your consideration.

- 2. The original and two copies for your use are included.
- 3. This BILL was adopted by vote of the Faculty Senate on 72-5-18 (date).
- 4. After considering this bill, will you please indicate your approval or disapproval. Return the original or forward it to the Board of Regents, completing the appropriate endorsement below.
- 5. In accordance with Section 8, paragraph 2 of the Senate's By-Laws, this bill will become effective on 72-6-13 (date), three weeks after Senate approval, unless: (1) specific dates for implementation are written into the bill; (2) you return it disapproved; (3) you forward it to the Board of Trustees for their approval; or (4) the University Faculty petitions for a referendum. If the bill is forwarded to the Board of Trustees, it will not become effective until approved by the Board.

CURRICULAR REPORT FROM THE GRADUATE COUNCIL TO THE FACULTY SENATE
Report No. 1971-72-12 April 24, 1972

At its Meeting No. 99 on April 21, 1972, the Graduate Council considered and approved (where necessary) the following curricular matters which are now submitted to the Faculty Senate for information or confirmation as indicated.

I. Matters of Information (For further details, consult the chairman of the department concerned.)

A. College of Arts & Sciences

I. Department of Speech

SPE 504 Speech and Hearing Research - change prerequisite and instructor to:
Prerequisite: Admission to graduate programs in Speech or permission of instructor.
Beaupre

SPE 551 Measurement of Hearing - delete reference to prerequisite; change Staff
to Jirsa

SPE 552 Advanced Measurement of Hearing - change Staff to Jirsa

SPE 553 Pedaudiology - delete the prerequisite

SPE 554 Auditory Training and Speechreading - change prerequisite and instructor to:
Prerequisite: SPE 551 or permission of instructor. Regan

SPE 555 Electronically Assisted Hearing - change prerequisite and instructor to:
Prerequisite: SPE 552 or permission of instructor. Jirsa

SPE 556 Automatic Audiometry - change prerequisite and instructor to:
Prerequisite: SPE 552 or permission of instructor. Jirsa

SPE 561 Disorders of Articulation - change prerequisite and instructor to:
Delete references to prerequisites. Grubman or Staff

SPE 562 Disorders of Voice - delete reference to prerequisite.

SPE 563 Disorders of Rate and Rhythm - delete reference to prerequisite.

SPE 564 Disorders of Symbolization - delete reference to prerequisite and change
Staff to Grubman.

SPE 565 Diagnostic Procedures: Voice and Articulation - change prerequisite and
instructor to: Prerequisite: Permission of instructor. Grubman.

SPE 566 Diagnostic Procedures: Rhythm and Symbolization - change prerequisite and instructor to: Prerequisite: Permission of the instructor. FitzSimons

SPE 571 Audiometric Screening and Surveying Techniques - change Staff to Jirsa

SPE 572 Medical Audiology - change Staff to Jirsa

SPE 573 Contemporary Problems in Audiology - change prerequisite and instructor to: Prerequisite: Admission to graduate program in audiology and permission of instructor. Jirsa.

SPE 574 Environmental Audiology - change prerequisite and instructor to: Prerequisite: Admission to graduate program in audiology or permission of instructor. Jirsa.

SPE 575 Speech and Language for Deaf or Hard of Hearing Child - change prerequisite and instructor to: Prerequisite: Admission to the graduate program in audiology or permission of instructor. Beaupre or Staff.

SPE 576 Speech and Language for Deaf or Hard of Hearing Adult - change prerequisite and instructor to: Prerequisite: Admission to graduate program in audiology or permission of instructor. Beaupre or Staff.

SPE 583 Cleft Palate and Other Orafacial Deformities - change prerequisite and instructor to: Prerequisite: Admission to the graduate program in speech pathology or permission of instructor. Gates or Staff.

SPE 585 Aphasia and Allied Language Disorders - change prerequisite and instructor to: Prerequisite: Admission to graduate program in speech pathology or permission of instructor. Grubman.

II. Department of History

HIS 432 History of Russia to 1917 - change title and description to:
History of Russia to the Twentieth Century
Russian Origins in Medieval Kiev and the Rise of Autocracy in Muscovy. Imperial Russia's development in the 18th and 19th centuries. Emphasis on social and cultural change.

III. Department of Political Science

PSC 422 State and Local Government - number change to PSC 421; change II to I

PSC 443 Twentieth Century Political Theory - change description to:
Important political theorists of this century, particularly as they interpret the basis of political obligation and weigh the question of violent political change. (Lec 3)
Prerequisite: PSC 341 and 342, or permission of the department. Killilea

Report No. 1971-72-12

- 3 -

PSC 454 Advanced Political Research - number change to PSC 455PSC 455(454), 456 Directed Study or Research - change title and description to:Directed Study of Research I and II, 3

Special work arranged to meet the needs of individual students who desire advanced work in political science.

(Lec 3) Prerequisite: Permission of the department.

Staff

PSC 460 Urban Politics - change description to: I and II, 3

Contemporary urban politics and policy formation.

Political behavior, decision-making, and administration examined in relationship to the crisis of the cities, the changing metropolis, and the growth of the megalopolis.

(Lec 3) Prerequisite: PSC 113. Wood, ZuckerPSC 461 The American Presidency - change description and prerequisite to: I, 3

Presidential leadership and decision-making, with emphasis on the growth in power and prestige of the presidency, the exercise of presidential influence in the conduct of government, and presidential initiative in formulating and developing national policies and priorities. (Lec 3) Prerequisite:

PSC 113. WoodPSC 462 American Constitutional Law - number change to PSC 471 and description and title change to:PSC 471 Constitutional Law

The Supreme Court as a political institution in American democracy. Systematic analysis of leading constitutional decisions exploring the adaptation of governmental powers to changed conditions of society, the development and function of judicial review, and the dynamics of decision-making in the Supreme Court. (Lec 3) Prerequisite: PSC 113

Wood

PSC 463 American Civil Liberties - number change to PSC 472 and description and title change to:PSC 472 Civil Liberties

The problem of human freedom examined in the context of the fundamental rights guaranteed to individuals by the American constitution. Emphasis on religious liberty, freedom of expression, racial equality, fair criminal procedures, and the protection of personality and privacy.

(Lec 3) Prerequisite: PSC 113. Wood.

PSC 464 International Law - change description to:
Fundamental aspects of international law: sources, treaties, international courts, recognition, territoriality, law of the sea, and conflict resolution. Case studies of international law in political decision-making. (Lec 3) Prerequisite: PSC 116. Gamble

PSC 502 Techniques of Public Management - change description to:
Principles and techniques employed in the administration of staff activities of the public service such as administrative planning, project scheduling and budgeting. (Lec 3) Prerequisite: PSC 491 or permission of department. Leduc

PSC 505 Politics of Developing Areas - number changed to PSC 504

PSC 506 The USSR and China in World Affairs - number changed to PSC 507

PSC 513 Seminar in Marine Science Policy and Public Law - number changed to PSC 512

PSC 523 Seminar in Comparative and International Public Administration - change title and description to:

PSC 523 Seminar in Comparative Public Administration I, 3
The theory, practice, organization and operation of English and French administrative systems and their influence on newly established systems. Use of models, structure-function analysis and ecological analyses. (Lec 3) Prerequisite: PSC 491, 501 or permission of department. Milburn

PSC 524 Seminar in Problems of Public Administration - change title and description to:
Seminar in Public Policy Problems

Exploration in depth of selected problems of policy formulation--intergovernmental relations, regionalization, citizen participation and control, priority setting for public sector programs. (Lec 3) Prerequisite: PSC 491, 501, or permission of department. Grossbard

PSC 566 American Political Theory - change title, description and prerequisite to:
American Political Thought

Origins and development of American political thought. Intensive study, including European influences, of the growth of ideas about democracy in America. Locke, DeTocqueville, Jefferson, Lincoln, and other representative theorists. (Lec 3) Prerequisite: PSC 341, 342, or permission of the instructor. In alternate years, next offered 1972-73. Wood

Report No. 1971-72-12

- 5 -

PSC 567 American Jurisprudence - number, title and description change to:

PSC 568 Jurisprudence

An introduction to the philosophy of law, treating the sources, the nature, and the consequences of major systems of legal thought. Emphasis on the relationship between legal reasoning and judicial decision-making in the United States. (Lec 3) Prerequisite: PSC 471, 472, or permission of the instructor. In alternate years, next offered 1973-74. Wood

PSC 573 Advanced Research in Political Science - number changed to PSC 554

IV. Department of Psychology

PSY 542 The Exceptional Child - change Staff to Weiner, Staff and I and II to I or II

PSY 550(or PCL 550) Operant Analysis of Behavior - change I to I or II

PSY 610(or EST 610) Factor Analysis - add: In alternate years, next offered 1973-74.

PSY 611 Methods of Psychological Research and Experimental Design - change I and II to I or II; prerequisite changed to: PSY 510, 532, and add: In alternate years, next offered 1973-74.

PSY 616 Methodology and Design in Research in School Psychology - change I and II to I or II; prerequisite changed to: PSY 510, 532, permission of the department.

PSY 617 Methodology and Design in Research in Clinical Psychology - change I and II to I or II; prerequisite changed to: PSY 510, 532, permission of the department.

PSY 621 Seminar: Human Learning and Memory - change I and II to I or II and Staff to Silverstein

PSY 640 Personality Dynamics I (Advanced Personality) - change I to II; add: In alternate years, next offered 1973-74; prerequisite changed to: Permission of the department; Staff changed to Cain.

PSY 660 Personality Dynamics II (Advanced Psychopathology - I and II to I or II; prerequisite changed to: Permission of the department; Staff to Prochaska

PSY 661 Psychological Services I (Administration and Interpretation of Cognitive Tests - change (Lec 2, Lab 2) to (Lec 3); prerequisite changed to: Permission of the department; Staff to Richardson, Staff

PSY 662 Psychological Services II (Administration and Interpretation of Personality Tests - change(Lec 2, Lab 2) to (Lec 3); prerequisite changed to: Permission of the department; Staff to Richardson, Staff

Report No. 1971-72-12

PSY 664 Advanced Diagnostic Problems - change I and II to I or II and add:
In alternate years, next offered 1972-73

PSY 665 Seminar: Behavior Disorders in Childhood - change I and II to I or II and add:
In alternate years, next offered 1973-74

PSY 671 Clinical Practices I (Diagnostic) - change I and II to I or II; add: In alternate years, next offered 1973-74; change Staff to Berger

PSY 673 Seminar: Introduction to Clinical Psychotherapy - change I and II to I and Staff to Willoughby

PSY 675 Experimental Psychopathology - change I and II to I or II; prerequisite changed to: Permission of the department; Staff to Prochaska

PSY 683 Psychology of the Exceptional Child - change Gross to Weiner, Staff

PSY 684 Learning Disabilities - delete alternate years

PSY 685 Psychology of Mental Retardation - change Gross to Weiner, Staff; prerequisite changed to: Permission of instructor

PSY 686 Psychology and Education of the Emotionally Disturbed - change II to I; prerequisite changed to: Permission of Instructor

PSY 690 Seminar: Contemporary Issues in Psychology - delete alternate years

PSY 463 Psychology of Personal Meaning - change I and II to I or II; description to read: Experiential and academic examination of the sources of meaning of human existence. Exploration of modes for finding such meaning--including the study of selfawareness. (Lec 3) In alternate years, next offered 1972-73. Prerequisite: PSY 113, junior standing, permission of department. Staff

PSY 479 Contemporary Problems for Modern Psychology - change II to I and II; 3 to 3-12 and description to read:

Central issues and recent developments in the field of psychology. Topics will be limited each semester to one of the following areas of psychology: (a) personality, (b) social, (c) learning, (d) methods and design, (e) developmental, (f) motivation, (g) perception, (h) clinical, (i) general and (j) humanistic psychology. (Lec 3)
A maximum of 4 seminars may be taken. Prerequisite: PSY 301, permission of department. Staff.

PSY 510 Intermediate Quantitative Methods - change I to II and description to read: Complex statistical techniques useful in practical psychological research including multiple correlation and regression analysis, multiple correction for restriction in range, and introductory multivariate analysis methods. (Lec 3) Permission of the department. Merenda and Cain

Report No. 1971-72-12

- 7 -

PSY 520 Psychometric Methods - change I and II to I or II and description changed to: Techniques for investigating areas of attitude and opinion research, morale and leadership, personality and perception. Includes techniques of test construction, Q-methodology, and psychometric scaling. (Lec 3) Prerequisites: PSY 434, 510, In alternate years, next offered 1972-73. Merenda, Staff

PSY 534 Clinical Interpretation of Standardized Psychological Tests - description to read: Clinical use of standardized assessment techniques such as MMPI, Critical review of theory and research underlying objective, group assessment of human characteristics. Development and interpretation of individualized evaluations based on profile analysis.(Lec3) Prerequisite: Psy 434. Berman, Staff

PSY 670 Field Experience in Psychological Services Internship - change title and description to:

PSY 670 Field Experience in Psychological Service

Training placements and internships are available in a variety of institutional agencies and school settings under supervision which must be acceptable to the department.

Prerequisite: equivalent of 1 year full-time graduate work, clinical practices sequence, permission of the department. Staff.

II. Matters Requiring Confirmation by the Faculty Senate

A. College of Arts & Sciences

1. Department of Education

a. Add (New)

EDC 914 Workshop on Art in the Schools--Advanced
Summer Only 3

Current trends in art and art education on all school levels will be evaluated in the light of recent research in learning theory and instructional strategies. Ways to develop community support for the arts through business, government and foundation grants will be explored. Each student will be expected to develop a viable art curriculum program based on the needs of the school and as a challenge to demonstrate continued competence as a practicing artist.

Kurzband

EDC 950 Workshop on the Theory and Practice of Group
Counseling Workshop, Summer 1972 only, 6

A workshop designed to renew and strengthen counselors' skills in group guidance and counseling strategies particularly as applied to career planning and vocational development. Maynard

2. Department of Political Science

a. Add (New)

PSC 486 Quest for New Community II, 3
Concepts and forms of community that are emerging in response to changes in socio-economic condition and consciousness. Emphasis placed on smaller units; e.g. intentional communities, cooperatives, communes, and voluntary associations. (Lec 3) Prerequisite: permission of department. Stein

PSC 495 Comparative Urban Politics I, 3
Analysis of urban processes and policy formation affecting urbanization in the United States, Europe and selected developing nations. (Lec 3) Prerequisite: PSC 113 or PSC 116 or permission of department. Milburn

PSC 510 Developing Nation-State: Africa II, 3
Analysis of developmental policy formation with emphasis upon the governmental processes in the new nations with major focus on African countries. (Lec 3) Prerequisite: permission of instructor. Milburn

PSC 555, 556 Directed Study or Research I and II, 3 each
Special work arranged to meet the individual needs of graduate students in political science. (Lec 3) Prerequisite: Permission of department. Staff

b. Renumbering

PSC 472 to:
PSC 572(472) Problems in International Relations

c. Deletion

PSC 402 Government and Politics of the Middle East
PSC 404 Government and Politics of South East Asia
PSC 417 African Ideologies and International Relations
PSC 484 Middle East in World Affairs
PSC 565 Seminar in Political Processes

3. Department of Zoology

a. Add (New)

Zoo 573(or GEN 573) Developmental Genetics I, 3
The genetic control of gametogenesis and fertilization. Survey of modern approaches to the problem of gene regulation during embryogenesis with animal systems. (Lec 3) Prerequisite: GEN 352 or equivalent and permission of instructor. In alternate years, next offered 1972-73. Bischoff

Report No. 1971-72-12

- 9 -

ZOO 541, 542 Comparative Physiology I and II, 3 each
A comparison of the physiological mechanisms by which animals maintain life with emphasis on marine invertebrates. (Lec 2, Lab 3) Prerequisite: ZOO 345, and 354. ZOO 541 is not prerequisite for ZOO 542.

ZOO 541: Responses to the external environment mediated by receptors, nervous systems, and effectors. Living control systems for muscular activity and for circulation. Hill. ZOO 542: Processes related to maintenance of the internal environment, including osmotic balance, gaseous exchange and transport, nutrition, intermediary metabolism, nitrogen excretion, shell formation. Hammen

ZOO 455(or BOT 455) Marine Ecology I, 3

An investigation of the structure and dynamics of various marine ecosystems. Topics to include mineral cycling, energy flow, community and population organization and behavioral ecology in selected marine environments. (Lec 3) Prerequisite: ZOO 262 or BOT 262, or permission of the instructors. In alternate years, next offered 1972-73. Cobb and Harlin

ZOO 457(or BOT 457) Marine Ecology Laboratory I, 1

Field and laboratory work on community relationships of dominant organisms in Rhode Island marine environments. (Lab 3) Prerequisite: Concurrent enrollment in ZOO 455 or BOT 455, and permission of the instructors. Limited to 15 students. In alternate years, next offered 1972-73. Cobb and Harlin. Not for graduate credit.

ZOO 564 Oceanic Ichthyology II, 3

Fishes of the great ocean basins. Their systematics, adaptations, vertical distribution and zoogeography. Emphasis on mesopelagic and bathypelagic forms in the North Atlantic. (Lec 2, Lab 3) Prerequisite: ZOO 563 or permission of instructor. In alternate years, next offered 1972-73. Krueger

b. Changes

ZOO 465 Limnology: change in prerequisite from ZOO 111 to ZOO 262

ZOO 466 Vertebrate Biology: change in prerequisite from ZOO 216(316) to
One course in ZOO and Junior Standing

ZOO 512 : change in title and prerequisite from Fine Structure of the Animal Cell;
Prerequisite ZOO 210 or permission of department to Fine Structure; Prerequisite
ZOO 315

c. Cross Listing

ZOO 471(or GEN 471) Evolution

ZOO 576(or GEN 576) Ecological Genetics

ZOO 476(477)(or GEN 476) Human Genetics to be changed to read:

ZOO 476(477)(or GEN 476) Human Genetics II, 3

Survey of physical and mental variations of man which have been shown to have at least some genetic basis. Emphasis upon principal concepts which underlie modern research in the field. (Lec 3)

Prerequisite: Genetics 352 Bischoff

d. Deletion

ZOO 418 Experimental Embryology

ZOO 544 Invertebrate Physiology(contingent upon approval of ZOO 541, 542)

ZOO 547 Comparative Physiology(contingent upon approval of ZOO 541, 542)

ZOO 555 Seminar in Physio Genetics (contingent upon approval of ZOO 573)

4. Department of Sociology and Anthropology

a. Change

APG 506 Psychological Anthropology: change in number and prerequisite from APG 506 to APG 405; from Prerequisite: PSY 234 and 435 or SOC 204 and permission of department to Prerequisite: APG 203 and 6 credits of 300 level Anthropology electives or permission of the department.

5. Department of Geography

a. Change

GEG 463 Geography of World Resources: change in number, title and description to:

GEG 542(463) Seminar in Economic Geography I, 3

Analytical approaches to rational utilization of the world's resources. Emphasis on agricultural and industrial location theory, diffusion of ideas and innovations, and recreational analysis. (Lec 3)

Prerequisite: GEG 103 or permission of department.

Capelle

6. Department of Microbiology and Biophysics

a. Cross Listing

MIC 567(or OCG 567) Marine Bacteriology

6. Department of History

a. Deletion

HIS 516 Seminar in the History of Science

7. Department of Psychology

a. Cross Listing

PSY 532(EST 532 or ASC 532) Experimental Design

description to be changed to:

EST 532(or ASC 532 or PSY 532) Experimental Design I or II, 3
Application of statistical methods to biological and psychological research and experimentation. Discussion of experimental situations for which various ANOVA and ANCOVA designs are most suitable. (Lec 3) Prerequisite: EST 411 or equivalent. Archer, I; Smith, L. T., II

b. Deletion

PSY 452 Aging and the Individual

PSY 530 Seminar in Phenomenology & Psychology

PSY 615 Seminar: Advanced History & Systems of Psychology

c. Changes

(credit and description changes to read as follows:)

PSY 600 Advanced General Psychology I or II, 3

A series of courses that provide incoming graduate students with an intensive preparation in the major areas of general psychology: (a) psychophysiology, (b) learning, (c) cognition and perceptual processes, (d) developmental, (e) social. (Lec 3) May be repeated up to five times. Prerequisite: permission of the department. Staff

PSY 666 Seminar: The Professional Psychologist
in the Community I and II, 3

Ethical and professional standards related to the practice of psychological services. Discussion and guest lectures by members of related disciplines. Special emphasis upon the role of the professional psychologist in the community: (a) clinical psychology, (b) school psychology. (Lec 3) Prerequisite: permission of the department. Staff

PSY 672 Individual Clinical Practicum I or II, 3

Introductory experience in dealing with clinical problems in a variety of clinical settings. Individual supervision to be arranged. (Lec 3) May be repeated up to three times. Prerequisite: PSY 661, 662, and permission of department. Staff

PSY 674 Clinical Practices II (Therapy) I or II, 3
Specialized practices and techniques of clinical interviewing, counseling, and psychotherapy with children and adults. Observations, reading, and model tapes supplement critical discussion of the student's own supervised therapy sessions: (a) individual (b) behavior, (c) group, (d) sensitivity, (e) family, (f) child-play, (g) specialized techniques. (Lec 3) May be repeated up to seven times. Prerequisite: PSY 640, 660, 673, and permission of department. Staff

PSY 680 School Practices I (Diagnostic) I or II, 3
Testing procedures and devices in the diagnosis of organicity, personality problems, special learning problems, visual, auditory, and memory problems, includes administration, interpretation, and special adaptation of tests in the school situation. (Lec 3) May be repeated up to three times. Prerequisite: PSY 434, 661, permission of the department. Staff

PSY 681 Special Problems in School Psychology I or II, 3
The role of the psychologist in the school setting. Several theoretical and practical issues concerned with the value of psychological theory, administrative philosophy, and school organization are explored. (Lec 3) May be repeated up to three times. Prerequisite: PSY 680 and permission of department. Vosburgh, Staff

PSY 682 Individual Practicum in School Psychology I or II, 3
Designed to accompany the student's internship in the school setting. Techniques for adapting psychological services to function within the school system. Individual supervision to be arranged. (Lec 3) May be repeated up to three times. Prerequisite: Permission of department. Vosburgh

PSY 691 Individual Practicum in Teaching Psychology I or II, 3
Seminar and supervised experience in the teaching of psychology primarily at the undergraduate level. Students will be involved in laboratory and discussion groups under supervision. (Lec 3) May be repeated up to two times. Prerequisite: permission of the department. Camp, Staff

PSY 692, 693 Directed Readings and Research Problems I or II, 3-6 each
Directed readings and advanced research work under the supervision of a member of the staff arranged to suit the individual requirements of the students. Prerequisite: Permission of department. Staff

PSY 694 Special Problems in Clinical Psychology I or II, 3
Instruction and clinical practicum training in unique problem areas of clinical psychology. Development of specialized evaluation instruments and procedures. (Lec 3) May be repeated up to four times. Prerequisite: permission of department. Staff

Report No. 1971-72-12

- 13 -

Senate approval of graduate credit for the following courses (which have been approved by the Curricular Affairs Committee, but which were tabled at the April 21 meeting of the Graduate Council) is requested contingent upon Graduate Council approval at its next meeting.

Department of History
Add (New)

HIS 469(407) The Protestant and Catholic Reformation (I) I, 3
Change of European society resulting from Protestant Reformation and Catholic reaction; rise of secular states and emerging national states, effects of religious crisis upon culture and society. (Lec 3)
In alternate years, next offered 1973-74 Daniel

HIS 470 Protestant and Catholic Reformation (II) II, 3
Catholic and Counter Reformation, Northern Renaissance, Wars of Religion, Social and Cultural Manifestations of the early Baroque. (Lec 3) In alternate years, next offered 1973-74.
Daniel

HIS 465(438) The Civil War in America I, 3
Emphasis on the polarization of American society between 1830-1865 and the effects of the Civil War on the American political economy. (Lec 3) Strom

HIS 466 Reconstruction in America II, 3
Origins of Reconstruction policies during the Civil War, the emergence of the Radical Republicans and the effects of War and Reconstruction on the peoples of the southern states through 1890. (Lec 3) Strom

HIS 453(452) United States Diplomatic History to 1914, I, 3
A study of the foreign relations of the United States from colonial times to the beginning of World War I. (Lec 3)
Prerequisite: Junior standing. Costigliola

HIS 454 United States Diplomacy in the Twentieth Century II, 3
A study of American foreign relations since the emergence of the United States as a world power. (Lec 3) Prerequisite: Junior standing. Costigliola

HIS 493, 494 Topics in History I and II, 3 each
Subject, course content, and years offered will vary to expertise and availability of instructors. With departmental permission can be taken more than once. Briggs

Deletion

HIS 452 Diplomatic History of the United States (contingent upon approval of HIS 453, 454)

HIS 407 The Reformation (contingent upon approval of HIS 469, 470)

HIS 438 Civil War and Reconstruction (contingent upon approval of HIS 465, 466)

Senate approval of the following course, which was tabled at the April 21 meeting of the Graduate Council is requested contingent upon Graduate Council approval at its next meeting.

Department of Economics

Add (New)

ECN 575 Introduction to Mathematical Economics I or II, 3
Application of quantitative methods to economic problems, such as general equilibrium theory, optimal growth and stabilization models. (Lec 3) Prerequisite: ECN 375, 327, and 328 or permission of instructor. Staff

jmo
