B. College of Nursing*

The Curricular Affairs Committee recommends approval of the following modification in the awarding of CEU's (Continuing Education Units) requested by the College of Nursing:

1. That the University of Rhode Island authorize the awarding of Continuing Education Units (one CEU identified as "ten contact hours of participation in an organized continuing education, adult, or extension experience under responsible sponsorship, capable direction, and qualified instruction", National Task Force Definition) for specific selected, non credit courses offered by the College of Nursing.
2. That the Dean and Curriculum Committee of the College of Nursing be empowered to review and approve such courses.
3. That the following criteria for the awarding of CEU's be approved
 - a. The non-credit activity is planned in response to an assessment of educational need for a specific target population.
 - b. There is a statement of objectives and rationale.
 - c. Content is selected and is organized in a sequential manner.
 - d. There is evidence of pre-planning which should include opportunity for input by a representative of the target group to be served, the faculty area having content expertise, and continuing education personnel.
 - e. The activity is of an instructional nature and is sponsored or approved by the Dean and Curriculum Committee of the College of Nursing with particular regard to the quality of content and the resource personnel utilized.
 - f. There is a provision for registration for individual participants and to provide data for institutional reporting.
 - g. Appropriate evaluation procedures are utilized and criteria are established for awarding CEU's to individual students prior to the beginning of the activity. This may include the evaluation of student performance, instructional procedures, and course effectiveness.

B. (continued)

4. That authorization be given for the keeping and dissemination of permanent records to the Registrar for CEU's awarded.

C. In accordance with section 8.43.21 (formerly 8.41.13) of the University Manual the Curricular Affairs Committee recommends that the Faculty Senate take the following action:

- 1. DELETE: ECN 333 and SPA 471
- 2. RETAIN: BCH 400, CDF 290, EDC 409, 410, 411, MUS 422, PSC 470, SPA 450, and ZOO 468.
