OFFICE MEMORANDUM

**To:** Mrs. Gertha Coombs, Staff Assistant to the President **Date:** April 6, 1976

**From:** Sheila Black Grubman, Coordinator  
Faculty Senate Affairs

We decided to call Section II, C of the One Hundred and Eleventh Report of the Curricular Affairs Committee Senate Bill #75-76--22a to help us keep track of it. It is really just a part of Senate Bill #75-76--22 for which President Newman requested a 30 day extension of time until April 16.

Re: Faculty Senate Bill #75-76-22, One Hundred  
and Eleventh Report of the Curricular  
Affairs Committee

Dear Don:

I am approving all of the contents of the Faculty Senate Bill #75-76-22 with the exception of Section IIC, "Procedures for Temporary Courses," for which I am requesting the regular 30-day extension. This will allow the time necessary for discussing some questions with the Faculty Senate executive officers at either or both of their next meetings, scheduled for March 18 and April 15. John Knauss and I need the opportunity to discuss with the Senate officers what appears to be a conscious exclusion of the January intersession. I have some skepticism and would need to talk with the executive officers before having the matter clearly in mind and deciding where we are going on this issue.

Sincerely,

Frank Newman
