LIBRARY IMPACT STATEMENT (New Course Proposal)
LIBRARIAN'S ASSESSMENT

Subject selectors will complete this form as requested, assessing library materials and collections as detailed below. Send one copy of the assessment to the faculty member who requested it. Send one copy of the assessment to the Collection Management Officer.

Course: NEU 262 Neuroscience Research Methods_____

Department, College: CMB, CELS and INP (Neuroscience) _____

Faculty Member: Jodi Camberg_____

Date returned to Faculty: 4/9/19_____

Librarian Completing Assessment: Joanna M. Burkhardt_____

Collection Management Officer: Joanna M. Burkhardt_____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The library has online access to all the journals required for this course. In addition we hold a reasonably recent collection of print monographs. The allocation for purchase of monographs for CMB for 2018-19 is approximately \$1,000. The cost of journal subscriptions is not broken out by department.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

URI has online access to all the essential journals as noted in the Faculty Questionnaire.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

No new library resources are required to support this course.

4. What information mastery sessions will be required for the students?

No information mastery sessions are required for the students. Instructors can make an appointment to bring the class to the library for instruction by contacting the Public Services Department at the beginning of the semester.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no new costs to the library to support this course. The ongoing cost of journal subscriptions is built into the library budget.
