**LIBRARY IMPACT STATEMENT
LIBRARIAN'S ASSESSMENT**

Course: MHM 501 *Health Care in America*

Department, College: Pharmacy Practice, College of Pharmacy -- for College of Business program

Faculty Member: Prof. Stephen Kogut

Date returned to Faculty: 13 March 2019

Librarian Completing Assessment: Prof. Andrée J. Rathemacher

The Library Impact Statement for MHM 501 *Health Care in America* states that students will not be conducting library research in the course, and the proposed syllabus confirms this.

In response to the question about what critical journals, monographs, and electronic resources the University Libraries must have to support the course, the response is, "Health Affairs, NEJM." I confirm that the URI Libraries subscribe to both journals in online format.

Based on my review of the Library Impact Statement and the proposed syllabus for MHM 501 *Health Care in America*, I conclude that the University Libraries can meet the needs of this course with no additional resources.

In my role as Subject Selector for the College of Business, I support the addition of this course.
