LIBRARY IMPACT STATEMENT (New Course Proposal)
LIBRARIAN'S ASSESSMENT

Subject selectors will complete this form as requested, assessing library materials and collections as detailed below. Send one copy of the assessment to the faculty member who requested it. Send one copy of the assessment to the Collection Management Officer.

Course: See list below

Department, College: Music, A&S

Faculty Member: Mark Conley

Date returned to Faculty: 2/26/19

Librarian Completing Assessment: Jim Kinnie

Collection Management Officer: Joanna Burkhardt

Courses:

MUS 137: Music Therapy Pre-clinical Observation

MUS 236: Music Therapy Practicum I

MUS 237: Music Therapy Practicum II

MUS 336: Music Therapy Practicum III

MUS 337: Music Therapy Practicum IV

MUS 436: Music Therapy Practicum V

MUS 437: Music Therapy Practicum VI

MUS 491: Clinical Internship

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?
2. Does URI have the essential journals as noted in the Faculty Questionnaire?
3. What new resources are required to support the course (including media, electronic, or other non-print materials)?
4. What information mastery sessions will be required for the students?
5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

The courses are designed for students to acquire clinical experience; there is no research requirement and no new library resources are required.

The one monograph cited in the proposal form will be purchased using regular MUS funds.

Jim Kinnie
