FACULTY SENATE

CONSTITUTION, BY-LAWS AND UNIVERSITY MANUAL COMMITTEE REPORT

5/1/78

The CBUM Committee recommends that the Faculty Senate approve the following changes to the University Manual:

- I. Change Chapter 9 "Student Activities" as follows:
- A. Retitle section 9.10.10 "Intercollegiate Competition."
- B. Delete section 9.10.12.
- C. Change last phrase of section 9.11.10 to read: (change is underlined)
unless such use is authorized by the Director of Student Activities.
- D. Renumber present section 9.11.11 as 9.10.12.
- E. Delete section 9.11.12.
- F. Renumber present section 9.12.10 as 9.11.11 and change to read:
9.11.11 Before advertising, notice of all student meetings or social events shall be filed with the Director of Student Activities or the Office of Residential Life as outlined in the student handbook. The Director of Student Activities shall control scheduling to prevent conflicts. Notice of meetings of interest to the University community shall be filed with the Director of Student Activities at least one week before the meeting so that they may be publicized as widely as possible.
- G. Delete section 9.12.11.
- H. Renumber present section 9.12.12 as 9.11.12 and change to read:
9.11.12 Within their areas of responsibility, the Directors of the Memorial Union, Dining Services, Athletics, Residential Life, and Student Relations and Research must approve in writing any fund-raising, sales, solicitation, or petitioning by individuals or groups. For other areas, the Director of Student Relations and Research must provide approval. Procedures are listed in the student handbook.
- I. Renumber present section 9.12.13 as 9.11.13 and change "Director of Memorial Union and Student Activities" to "Director of Student Activities."
- J. ~~Change section 9.13.10 to read: (change is underlined).~~

~~9.13.10 Political Groups Politically-minded student groups, both partisan and non-partisan, may be recognized by the University and may hold meetings for business and discussion in rooms in University buildings, but they shall not use campus facilities free of charge for meetings or rallies open to the general public and intended to promote the campaigns of candidates for public office, or to promote the programs of partisan political parties or political action movements.~~

- K. Delete the following sections:

- 1) 9.20.10
2) 9.20.11
3) 9.20.12

- L. Change section 9.21.10 to read:

9.21.10 Community Standards of Behavior. Students and student groups are required to comply with regulations as published in the student handbook concerning personal identification and representation; interference with health, safety or rights of other persons (including hazing); care of University and personal property; and demonstrations or other group actions.

- M. Delete present section 9.22.10 and add the following new 9.22.10:

9.22.10 University Policies for Students. Students and student groups are required to comply with policies as published in the student handbook concerning guest speakers and controversial persons, alcoholic beverages, on-campus social events, University-sponsored activities, trips and field trips, motor vehicles, fund-raising, residence halls, dining services, and fraternities and sororities.

Rationale: In the Spring of 1977, the Faculty Senate approved a revision of the University's Judicial System and in the Fall of 1977, the Senate approved the inclusion of a number of new sections in the University Manual which reflected the legislation approved during the previous spring. Many paragraphs of Chapter 9 of the University Manual became obsolete under the new judicial system and needed to be up-dated. In addition, the Division of Student Affairs has undergone a reorganization which began with the elimination of the Dean of Students position in the Spring of 1976. Because of the reorganization, a number of changes have occurred in the titles and responsibilities of the administrators in the division. The proposed revisions to Chapter 9 reflect the judicial system and Student Affairs organization which are currently in effect.

11. Delete section 7.10.13.

Rationale: During the 1976-77 academic year, the Library Faculty voted unanimously to request the deletion of this section because it is obsolete. The present standards for appointment set by the Library's Faculty are much higher than this section states. The Constitution, By-Laws and University Manual Committee endorsed the request of the Library Faculty and referred the matter to the Library Committee. The Library Committee did not take action on this matter. The CBUM Committee, therefore, has revived the request of the Library Faculty and recommends the deletion of section 7.10.13.

RE: Request for Faculty Senate approval of changes in Section 5.16.43 of the University Manual

At two separate special meetings of the Graduate Faculty held on May 3, 1978, the following changes in Section 5.16.10 of the University Manual, dealing with the apportionment of representation on the Graduate Council were, first, moved and seconded and then approved. The Graduate Council shall comprise 19 representatives of whom 14 are faculty members (12 elected by the Graduate Faculty...

Thank you very much for your attention to these requests.
