FACULTY SENATE

On May 18, 1978, the Faculty Senate approved the following recommendation of the Academic Standards and Calendar Committee in its Report #77-78-6:

That the word "final" be deleted from the first line of University Manual Paragraph 8.47.10, so that the paragraph shall read:

8.47.10 Examinations. On the premise that examinations offer the teacher a valuable teaching aid, an essential means of testing the student's grasp of the course subject matter, and an opportunity for self-evaluation of the effectiveness of his teaching methods, it is recommended that members of the faculty plan examinations with all three of these purposes in mind.
