LIBRARY IMPACT STATEMENT (New Course Proposal)
LIBRARIAN'S ASSESSMENT

Subject selectors will complete this form as requested, assessing library materials and collections as detailed below. Send one copy of the assessment to the faculty member who requested it. Send one copy of the assessment to the Collection Management Officer.

Course: MLS 560 Histology for Cytotechnologists I _____

Department, College:
_CMB/CELS_____

Faculty Member: _Barbara Klitz_____

Date returned to Faculty: _1/23/19_____

Librarian Completing Assessment: Joanna M. Burkhardt_____

Collection Management Officer: Joanna M. Burkhardt_____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The library holds mostly journals in relevant subject categories. The allocation for monographs for CELS for the 2018-19 fiscal year is \$1,000. The cost of journals is not broken out by department.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

There are no essential journals noted in the Faculty Questionnaire for this course.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

The textbook is listed at Amazon for \$350. Copies of the textbook for Reserve at Kingston and Providence will be purchased from the current monographic allocation.

4. What information mastery sessions will be required for the students?

No information mastery sessions are required for students in this course.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

The cost for acquiring the textbooks to be put on Reserve for this course will be approximately \$700.

(N.B. The same text is used for MLS 568.)
