Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The library has current holdings in relevant subject categories. The 2018-19 allocation for monographic purchases is as follows: Communicative Disorders \$1500; HDF \$2,000; Kinesiology \$2,000; Nutrition and Food Science \$3,000; Physical Therapy \$1500. The cost of journals is not broken out by Department or College.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

URI has online access to all of the essential journals noted in the Faculty Questionnaire.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

No new library resources are required to support this course. Faculty are welcome to suggest additions to the monograph and/or media collection using existing subject allocations.

4. What information mastery sessions will be required for the students?

No information mastery sessions will be required for the students.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no new costs to the library for materials for this course.
