LIBRARY IMPACT STATEMENT (New Course Proposal)
LIBRARIAN'S ASSESSMENT

Subject selectors will complete this form as requested, assessing library materials and collections as detailed below. Send one copy of the assessment to the faculty member who requested it. Send one copy of the assessment to the Collection Management Officer.

Course: __CMD 280: Neuroscience of Communication and Movement_____

Department, College: CMD, Health Sciences_____

Faculty Member: _Leslie Mahler_____

Date returned to Faculty: _10/24/2018_____

Librarian Completing Assessment: _Joanna M. Burkhardt_____

Collection Management Officer: _Joanna M. Burkhardt_____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The library holds current books and monographs in relevant subject categories. The allocation for monographs for CMD for 2018-19 is \$1500. The cost for journals is not broken out by department.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

The library has the three essential journals as noted in the questionnaire.

Neurology: online from 1997 – present and 1967-2005 in paper.

Brain: online from 1996 – present and 1967 – 2005 in paper

Movement Disorders: online from 1988 – present

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

No new library resources are required to support the course.

4. What information mastery sessions will be required for the students?

No information mastery sessions will be required for students. Instructors may arrange to bring the class to the library for an information session by contacting the Public Services Department of the Library at the beginning of any semester.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no new costs to the library for the support of this course.
