Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The library has substantial holdings in relevant subject areas including both monographs and journals. The current allocation for monographs in Nursing for 2018-19 is approximately \$9,000. The cost for journal subscriptions is not broken out by department.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

URI has the journals indicated in the Faculty Questionnaire.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

No new library resources are required to support this course.

4. What information mastery sessions will be required for the students?

Information Mastery sessions will be taught by the regular classroom instructors. The library Instruction Department is available to offer assistance if needed.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no new ongoing costs for the support of this course.
