UNIVERSITY OF RHODE ISLAND
FACULTY SENATE
ACADEMIC STANDARDS AND CALENDAR COMMITTEE
REPORT # 79-80-6

BACKGROUND:

Chapter 8 of the University Manual is badly in need of reorganization. Paragraphs which deal with related topics are often widely separated and there is no clear division of paragraphs within Chapter 8 into categories. The disarray of Chapter 8 has created special problems for the Registrar and the Registrar's Advisory Committee (composed of Assistant Deans of the various Colleges) who often must deal with the regulations contained in Chapter 8. They have come up with a reorganization plan which could be implemented by passage of the recommendation below.

RECOMMENDATION:

The Academic Standards and Calendar committee recommends: *with the approval of the FSEC,* that the Registrar be given the editorial authority to introduce a series of sub-headings within Chapter 8 of the University Manual and to rearrange and renumber the paragraphs of Chapter 8 in order to bring them into accord with the subheadings.

UNIVERSITY POLICY

ESTABLISHING ADMINISTRATIVE POLICY

ORIGINATOR: Business and Finance

DATE: April, 1980

POLICY #

ESTABLISHING ADMINISTRATIVE POLICY

PURPOSE:

To create a uniform procedure for the formulation and adoption of University administrative policies and procedures that allow for wide consultation and a reasonably rapid approval process. It is not the intent to include internal departmental policies under this statement, but only those having a major impact on more than one department.

APPLICABLE TO:

All Vice Presidents and division and department heads issuing University administrative policies to faculty or staff relevant to the administration of their area of responsibility.

RESPONSIBILITY:

1. The department proposing the administrative policy is responsible for preparing the initial policy statement, consulting with appropriate individuals and groups, revising drafts as required, and preparing the final document when approved. The department will review and update these policies on a continuing basis.
2. The President and the President's staff and, where applicable, the Faculty Senate and the Board of Regents are responsible for the final approval of the policy statements.

POLICY:

Administrative policies are a written reflection of the University's principles and accepted practices. Policy statements are designed to be working guides for managers and supervisors in the day-to-day management of their function.

They also provide our employees with a reliable and easily accessible source of information to learn about policies and procedures.

A procedure for developing and approving new policies and revisions to existing policies has been established in order to insure sufficient consultation at the time of policy development and to maintain a standard mechanism for approval of University administrative policy that assures all necessary parties have been consulted as part of the approval process prior to implementation.

PROCEDURE:

The department proposing the policy first submits the policy draft to the dean of the college or department director who will then submit it to the appropriate Vice President.

After discussion and revisions, the Vice President will submit the policy to the Faculty Senate Executive Committee. The Faculty Senate Executive Committee will review the policy and then submit it with the policy statement to the President's staff within ten (10) days of receipt. During the summer the Faculty Senate Executive Committee will review the policy at its next meeting after receipt of the policy and then submit it with the policy statement to the President's staff.

Once approved by the President's staff the policy becomes final unless the policy falls within the jurisdiction of either the Faculty Senate or the Board of Regents. The policy statement will be forwarded to them, if appropriate, in the form of a recommendation. After receiving suggestions and proposed modifications by either of the groups, the President's staff will adopt or revise the policy and resubmit it as required.

After being adopted as University administrative policy, the President shall forward the document to the Faculty Senate for inclusion in the University Manual. Initial distribution of the policy will be the responsibility of the Vice President for Business and Finance. New policies and modified policies will be included in the University Manual as new editions are published.

CONTENTS OF POLICY STATEMENTS:

Each policy statement should include at least the following five considerations:

1. Purpose: The reason why the policy is necessary should be included and should clearly explain the intent of the policy statement.
2. Applicable to: While some policies apply to all employees, others may not. It is, therefore, important to define those employees to whom the policy specifically applies.
3. Responsibility: Those who have primary responsibility for administration of the policy will be indicated by title (individual names should not be included).
