LIBRARY IMPACT STATEMENT (New Course Proposal)
LIBRARIAN'S ASSESSMENT

Subject selectors will complete this form as requested, assessing library materials and collections as detailed below. Send one copy of the assessment to the faculty member who requested it. Send one copy of the assessment to the Collection Management Officer.

Course: _BPS 205G The Challenged Brain_____

Department, College: Biomedical and Pharmaceutical Science, Pharmacy_____

Faculty Member: Katharina Quinlan_____

Date returned to Faculty: 1/29/2018_____

Librarian Completing Assessment: _Joanna M. Burkhardt_____

Collection Management Officer: _Joanna M. Burkhardt_____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The library holds many monographs concerning bioethics. A quick search of the library shows more than 600 titles concerning the topic. We subscribe to numerous relevant journals. The allocation for monographs for Pharmacy for 2017-18 is approximately \$18,000. Any new books needed for this course could easily be purchased from this allocation. Journals are not separated by department.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

There are no essential journals noted in the Faculty Questionnaire.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

No new library resources are required to support this course.

4. What information mastery sessions will be required for the students?

No information mastery sessions are required for the students.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no new costs to the library for the support of this course.
