On March 13, 1975, the Faculty Senate approved the Executive Committee's recommendation to amend section 5.66.10 of the University Manual, the Charge to the Joint Educational Policy Committee, by the addition of the phrase "the Athletic Council and from such other bodies that the President may direct to report to the Joint Educational Policy Committee."

The amended section 5.66.10 to read:

5.66.10 The Joint Educational Policy Committee. The purpose of this committee shall be to advise the President and the Faculty Senate. Its reports and recommendations may be addressed to either, but shall be made available to both. The committee shall study and make recommendations to the President and/or the Faculty Senate regarding matters of general policies affecting the University at large such as: interpretation of the mission of the University, within the general outlines laid down by state law and the Board of Regents, and its relation to needs of the state, the nation and society; needs for expansion, undergraduate and graduate; and relationship of the University with secondary schools, proposed community colleges, junior colleges and technical institutes. It shall be the responsibility of this committee to conduct an annual fiscal review of all programs, existing and newly approved, and to recommend to the Faculty Senate and President fiscal priorities for all programs. As part of this review, the committee shall consider each year on one agenda all new programs submitted to it from the Graduate Council, the Faculty Senate Curricular Affairs Committee, the Athletic Council and from such other bodies that the President may direct to report to the Joint Educational Policy Committee; and it shall forward these proposals, together with any other recommendation it has for changes in existing programs, to the Faculty Senate by February 15. These submissions shall include statements specifying the fiscal priorities assigned to its recommendations.
