Subject selectors will complete this form as requested, assessing library materials and collections as detailed below. Send one copy of the assessment to the faculty member who requested it. Send one copy of the assessment to the Collection Management Officer.

Course: NUR280G Social Determinants of Health_____

Department, College: College of Nursing_____

Faculty Member: Diane Martins_____

Date returned to Faculty: 9-26-17_____

Librarian Completing Assessment: Joanna M. Burkhardt_____

Collection Management Officer: Joanna M. Burkhardt_____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The URI Libraries hold monographs and serials in all relevant subject categories. The monographic allocation for materials for Nursing for 2017-18 is \$9,000. There are additional funds in the Galanti Endowment accounts.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

While there are no essential journals noted in the Faculty Questionnaire, the library has an extensive collection of nursing and health-related journals available online.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

No new resources are required to support this course.

4. What information mastery sessions will be required for the students?

No information mastery sessions are required for this course. There are online tutorials that could be useful to students who are unfamiliar with using Library resources online, located at the Library webpage.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no new costs to the Library for the support of this course.
