LIBRARY IMPACT STATEMENT (New Course Proposal)
LIBRARIAN'S ASSESSMENT

Subject selectors will complete this form as requested, assessing library materials and collections as detailed below. Send one copy of the assessment to the faculty member who requested it. Send one copy of the assessment to the Collection Management Officer.

Course: BPS 426x GMP Environmental Risks, Control and Monitoring_____

Department, College: Biomedical and Pharmaceutical Sciences/Pharmacy_____

Faculty Member: Clinton Chichester_____

Date returned to Faculty: 7/13/17_____

Librarian Completing Assessment: Joanna M. Burkhardt_____

Collection Management Officer: Joanna M. Burkhardt_____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The library has substantial monographic and journal holdings in Pharmacy. The 2016-17 allocation for monographs was \$18,000. My expectation is that the 2017-18 allocation will be substantially the same.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

There are no essential journals noted in the Faculty Questionnaire. The website and database listed are available to students via the Internet and the Department of Pharmacy.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

No new library resources are required to support the course.

4. What information mastery sessions will be required for the students?

No Information Mastery sessions are required for this course.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

The library will incur no new costs for the acquisition of materials for this course.
