LIBRARIAN'S ASSESSMENT

Subject selectors will complete this form as requested, assessing library materials and collections as detailed below. Send one copy of the assessment to the faculty member who requested it. Send one copy of the assessment to the Collection Management Officer.

Course: PHP ### Introduction to Systematic Reviews and Meta-Analysis_____

Department, College: Pharmacy Practice/Pharmacy_____

Faculty Member: Ami Vyas_____

Date returned to Faculty: 5/30/17_____

Librarian Completing Assessment: Joanna M. Burkhardt_____

Collection Management Officer: Joanna M. Burkhardt_____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The libraries have substantial holdings in relevant subject categories. Approximately \$18,700 is allocated to PHP for the 2016-17 fiscal year. The allocation for the 17-18 fiscal year will be similar.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

URI has the essential journals as noted in the Faculty Questionnaire.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

An electronic copy of the textbook listed has been ordered and will be available for student use soon.

4. What information mastery sessions will be required for the students?

No information mastery sessions are required for the students. The Public Services Department will be happy to schedule sessions should the instructors feel their students need assistance with journals, databases and/or other research instruction.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

The cost to acquire the materials necessary is approximately \$95.00. This is easily manageable using the current allocation. This is not a continuing cost.
