Date returned to Faculty: 1/4/17_____

Librarian Completing Assessment: Joanna M. Burkhardt_____

Collection Management Officer: Joanna M. Burkhardt_____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The University Libraries have substantial holdings in relevant subject categories, including both monographs and journals. The allocation for monographs in Nursing for 2016-17 is \$9,000. The cost for journals is not broken out by department. However, our journal holdings in relevant areas are substantial.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

URI Libraries have the essential journals as noted in the Faculty Questionnaire.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

No new library resources are required to support this course.

4. What information mastery sessions will be required for the students?

No information mastery sessions will be required for students.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no new costs for the acquisition of materials. Ongoing costs will be covered in the renewal of our journal subscriptions.
