Program: Psychiatric Mental Health Nurse Practitioner_____

Department, College: College of Nursing_____

Faculty Member: Ginette Ferszt_____

Date returned to Faculty: 1/4/17_____

Librarian Completing Assessment: Joanna M. Burkhardt_____

Collection Management Officer: Joanna M. Burkhardt_____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories? How much money is now allocated in the program subject area?

The University Libraries have substantial holdings in relevant subject categories, including both monographs and journals. The allocation for monographs in Nursing for 2016-17 is \$9,000. The cost for journals is not broken out by department. However, our journal holdings in relevant areas are substantial.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

URI subscribes to the essential journals noted in the Faculty Questionnaire.

3. What new resources are required to support the program (including media, electronic, or other non-print materials)?

No new library resources are required to support this program.

4. What information mastery sessions will be required for the students?

No information mastery sessions are required for the students.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no new library costs associated with this program.
