Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

Pharmacy has an allocation of approximately \$18,000 for the purchase of monographic materials. There are ample holdings in the areas of Pharmacy, Leadership and Politics.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

No essential journals are noted in the Faculty Questionnaire.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

No new library resources are required to support this course.

4. What information mastery sessions will be required for the students?

The form indicates that the students will not be doing research, so information mastery lessons are not necessary.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are not new costs associated with this class.
