LIBRARY IMPACT STATEMENT (New Course Proposal)
LIBRARIAN'S ASSESSMENT

Subject selectors will complete this form as requested, assessing library materials and collections as detailed below. Send one copy of the assessment to the faculty member who requested it. Send one copy of the assessment to the Collection Management Officer.

Course: MTH 100X Introductory and Intermediate Algebra _____

Department, College: Math, Arts and Sciences _____

Faculty Member: James Baglama _____

Date returned to Faculty: 4/20/16 _____

Librarian Completing Assessment: Joanna M. Burkhardt _____

Collection Management Officer: Joanna M. Burkhardt _____

Assessment of:

- Suitability of existing library resources;
- New library resources required to support the program;
- Information skills education required by the students; and
- Funds needed for library materials and services.

Please include:

1. What library holdings already exist in relevant subject categories. How much money is now allocated in the subject area?

The library holds more than 500 monographs concerning aspects of Algebra. Many of these are at the introductory and/or intermediate level. The library subscribes to many math related journals. The cost of these subscriptions is not broken out by department. The monographic allocation for Mathematics for 2015-16 is approximately \$2600.

2. Does URI have the essential journals as noted in the Faculty Questionnaire?

There are no essential journals noted in the faculty questionnaire.

3. What new resources are required to support the course (including media, electronic, or other non-print materials)?

No new library resources are required to support this course.

4. What information mastery sessions will be required for the students?

No information mastery sessions are required for the students.

5. What is the approximate cost to acquire the materials necessary? Which of these will be continuing costs?

There are no new one-time or continuing costs to the library for the support of this course.
