Dr. Werner A. Baum
President
218 Administration Bldg,

Dear Werner:

There were substantial questions raised from the floor about this part of the 81st Report of the Faculty Senate Curricular Affairs Committee. It seemed as if the Senate were going through a ritual rather than legislating substantive recommendations in proper legal form under the Sturgis rule. Both the meaning and intent of the proposals appears in doubt.

Sincerely,

Stephen B. Wood
Chairman, Faculty Senate

Encls.
