The Membership on, and Procedures for Election to, the  
Curricular Affairs Committee and to the University  
College and General Education Committee.

A. Membership on the Curricular Affairs Committee.

Amend the University Manual

5.75.12 The committee shall comprise four (4) representatives from the College of Arts and Sciences and one from each of the other undergraduate colleges and schools of the University, including the Division of University Extension; the President or his designated representative; and the University Librarian or his designated representative.

This recommendation is designed to increase the representation on the committee of the College of Arts and Sciences from two to four members and to eliminate the representation from the two exclusively graduate colleges, the Graduate School of Oceanography and the Graduate Library School.

The latter action has been recommended by the deans of these two schools.

~~B. Membership on, Election to, and Term of Office for the Chairman of the University College and General Education Committee.~~

~~Substitute in the University Manual~~

~~5.80.11 The committee shall comprise four (4) representatives from the College of Arts and Sciences and one from each of the other undergraduate colleges and schools of the University including the Division of University Extension, and the Vice President for Academic Affairs or his designated representative. The representatives of the colleges and schools shall be selected for their knowledge of general education and their experience with advising undergraduate students. The committee members, its chairman and its vice-chairman shall be chosen by the Chairman of the Senate and confirmed by the Senate in the same way as other standing committees of the Senate, except that they shall be named from a list of nominees, two of whom shall be provided for each vacancy by the faculty of the college or school being represented, who shall nominate them in a manner to be determined by each college or school faculty. The Chairman of the Senate shall consult with the dean of a college or school before making his final decision. The list of nominees shall be presented to the new chairman of the Senate when he is elected in the spring. The committee shall be named promptly thereafter.~~

5.80.12 Terms shall be for three years, with approximately one-third expiring each year, and provision for establishing this rotation shall be made by the Chairman of the Senate with the appointment of the first committee membership, by shortening the initial term of one-third of the members to one year and one-third to two years. Members may succeed themselves.

5.80.13 The term of the chairman shall be two years.

5.80.14 The Chairman of the Faculty Senate shall name from among the members of the University College and General Education Committee a vice-chairman who shall perform the duties of the committee chairman when that chairman is unable to act.

5.80.15 Renumber the present Section 5.80.14 as 5.80.15.

This recommendation is designed to conform the membership on, the process of election to, and the term of office for the chairman of the University College and General Education Committee to that presently employed for the Curricular Affairs Committee. The language of these sections correspond exactly, with the exception of the qualifications for election to the committee, to the language in the parallel sections for the Curricular Affairs Committee.
