FACULTY SENATE

On Thursday, February 14, 1974, at the tenth meeting of the Faculty Senate, the following recommendation of the Ad Hoc Committee to Study Athletics and Physical Education was approved:

4. We recommend that there be a single Director of Athletics, other than the Chairperson of the Department of Physical Education, responsible for the overall coordination of the intercollegiate athletic programs. Recognizing the rapid expansion of women's participation in such programs, we further recommend the appointment of an Associate Athletic Director for Women to coordinate activities of women in intercollegiate athletics.
