FACULTY SENATE

On Thursday, February 14, 1974, at the tenth meeting of the Faculty Senate, the following recommendation of the Ad Hoc Committee to Study Athletics and Physical Education was approved:

7. We recommend the appointment of a Coordinator of Athletic Facilities. On a day to day basis this person should work closely with the Physical Education Department and the Director of Athletics in scheduling both academic and non-academic programs and in maintenance of physical facilities. This position should not be held by either the Director of Athletics or the Chairperson of Physical Education. The person holding this position must be free and able to adjudicate the conflicts for time, space and equipment that have and will inevitably arise. The Coordinator should be responsible directly to the Vice President for Student Affairs. The budget of this office (chiefly for maintenance costs for the Athletic plant) should come directly from the office of the Comptroller of the University.
