FACULTY SENATE

REPORT OF THE EXECUTIVE COMMITTEE

October 5, 1982

On September 9, 1982, the Faculty Senate approved, upon recommendation of the Executive Committee, a document titled "Policies and Procedures Governing International Exchange Programs for Undergraduate Students" which appeared on pages 27-29 of the Agenda for Faculty Senate Meeting #1. This legislation was forwarded to President Newman as Faculty Senate Bill #82-83--1.

On September 28, 1982, following discussion with the Faculty Senate Executive Committee, President Newman disapproved Bill #82-83--1 because "most of the policy document addresses issues which are not under the purview of the Faculty Senate" but stated that he was "prepared to act favorably" on legislation which relates "specifically to the Senate's responsibility for academic programs."

In accordance with section 10.3 of the By-Laws of the Faculty Senate, the Executive Committee recommends that the Faculty Senate rescind Senate Bill #82-83--1 and approve the following two academic policies from the document titled "Policies and Procedures Governing Exchange Programs for Undergraduate Students":

- 1) Selection of URI students to participate in all exchange programs shall be the responsibility of the Study Abroad Adviser in consultation with faculty and department chairs, when relevant. Selection will be based on the following criteria:
 - QPA
 - Language proficiency when applicable
 - Recommendation of advisor, dean, and/or faculty
 - Interview
 - Written statement of plans and goals for the period of exchange
- 2) Selection of the international exchange students shall be the responsibility of the exchange official(s) at the home institutions.
