FACULTY SENATE

On January 24, 1985, the Faculty Senate approved the following revision to the charge of the Program Review Committee:

8.86.10 Review of Existing Programs. The program review cycle shall consist of a five-to-six year period comprising data collection, identification of programs for in-depth review, the carrying out of the in-depth reviews, and the forwarding of recommendations to the Faculty Senate via the appropriate committees for action by the Senate, the President, and as appropriate, the Board of Governors. All separable academic entities shall be included in the data collection phase of each program review cycle, data shall be collected for approximately one-fifth of all programs each year. Only a limited number shall be identified for in-depth review. If a program is identified for an in-depth review, the in-depth review shall be conducted simultaneously with the data collection for programs during the academic year immediately following that program's identification.
