FACULTY SENATE
BILL

Adopted by the Faculty Senate

TO: President Edward D. Eddy

FROM: Chairperson of the Faculty Senate

1. The attached BILL, titled Academic Standards and Calendar Committee Report #84-85-5: Grades and Conditional Status

is forwarded for your consideration.

2. The original and two copies for your use are included.
3. This BILL was adopted by vote of the Faculty Senate on March 21, 1985 (date).
4. After considering this bill, will you please indicate your approval or disapproval. Return the original or forward it to the Board of Governors, completing the appropriate endorsement below.
5. In accordance with Section 10, paragraph 4 of the Senate's By-Laws, this bill will become effective on April 11, 1985 (date), three weeks after Senate approval, unless: (1) specific dates for implementation are written into the bill; (2) you return it disapproved; (3) you forward it to the Board of Governors for their approval; or (4) the University Faculty petitions for a referendum. If the bill is forwarded to the Board of Governors, it will not become effective until approved by the Board.

ACADEMIC STANDARDS AND CALENDAR COMMITTEE

Report #84-85-5

Grades and Conditional Status

I. Grades

The Academic Standards and Calendar Committee recommends that sections 8.53.10 and 8.53.11 of the University Manual be amended as follows:

- A. Add the following to the list of defined grades in section 8.53.10:
- S* -- Satisfactory, course taken by a graduate student under the Pass-Fall grading option.
 - U* -- Unsatisfactory, course taken by a graduate student under the Pass-Fall grading option.
- B. Add the following to the list of grades and quality points in section 8.53.11:
- U* -- 0 points

Rationale: This change would conform University Manual language to current Graduate School usage. For a graduate student, a D grade is not a failure, it is unsatisfactory. Undergraduate students legitimately pass with a D grade.

II. Conditional Status

The Academic Standards and Calendar Committee recommends that section 8.25.13 of the University Manual be amended as proposed (changes are underlined):

E X I S T I N G

8.25.13 At the end of the two conditional semesters, if the preceding minimum grade requirements have been met, the Scholastic Standing Committee shall direct the Registrar to examine the student's record prior to readmission and designate pass credits for those courses for which a grade of "C" or better was received. No credit shall be given in courses in which grades "D," "F," or "U" were received. While the permanent record shall continue to show previous grades, the calculations of the minimum number of quality points necessary for graduation shall be based on grades earned after the time of the conditional reinstatement.

P R O P O S E D

8.25.13 At the end of the two conditional semesters, if the preceding minimum grade requirements have been met, the Scholastic Standing Committee shall direct the Registrar to examine the student's record prior to readmission and designate pass credits for those courses for which a grade of "C-" or better was received. No credit shall be given in courses in which grades "D+," "D," "F," or "U" were received. While the permanent record shall continue to show previous grades, the calculations of the minimum number of quality points necessary for graduation shall be based on grades earned after the time of the conditional reinstatement.

Rationale: This change is necessitated by the plus/minus grading system.

Members of the Committee:

FACULTY SENATE

RESEARCH POLICY AND FACILITIES COMMITTEE

REPORT ON PROPOSED BIOTECHNOLOGY CENTER

In accordance with sections 8.90.20-22 of the University Manual the Research Policy and Facilities Committee has reviewed the proposal to establish a Biotechnology Center at the University of Rhode Island and recommends approval by the Faculty Senate.

Attached is the proposal as revised on February 19, 1985 to accommodate concerns raised by the REPOFAC in its initial discussions. Appendix A is a memorandum of clarification from Dean Donovan to Assistant Vice President Swan and Appendix B is a memorandum from Vice President Ferrante reporting support by the Council of Deans for the proposed center.

Members of the Committee:

Jon Boothroyd, GEL
Dayle Joseph, NUR
John Long, EDC
Raymond Panzica, MCH
Arthur Rand, FSN
Akella Sastry, OCG

The University of Rhode Island
College of Resource Development

Proposal to Establish a Biotechnology Center

A. PROGRAM INFORMATION

1. Institution
The University of Rhode Island
2. Department and College
* Initially the Center would involve the departments of Animal and Veterinary Science, Food Science and Technology, Nutrition and Dietetics, Plant Pathology/Entomology, Plant Science, and Resource Economics in the College of Resource Development.
3. Title of Program
The Biotechnology Center
4. Academic Area
Does not apply.
5. HEGIS Title and Classification Code Number
Does not apply.
6. Intended Date of Implementation
As soon as approved.
7. Anticipated Date for Granting First Degree
Does not apply.
8. Intended Location of Program
Kingston Campus
9. Institutional Review and Approval Process
Approved by the Executive Council and faculty of the College of Resource Development.
10. Description of Organizational Unit
* The Biotechnology Center in the College of Resource Development is presently comprised of a group of faculty from various academic departments with common research interests. This interdisciplinary group is organized as a committee, four subgroups, an executive committee and a chairperson. The initial subgroups are environmental, fermentation, food, plant and policy.
*
11. Resource Requirement
No additional resources will be required to implement the proposed change. The College of Resource Development administration intends to gradually shift resources from low priority areas to this extremely high priority area to aid in its development within the involved academic departments.

* _____ Denotes additions to original proposal
