FACULTY SENATE

On February 5, 1987, the Faculty Senate approved the following amended recommendation of the Academic Standards and Calendar Committee in Academic Standards and Calendar Committee Report #86-87-3:

8.53.21 The student receiving "Incomplete" shall make necessary arrangements with the instructor, or in the instructor's absence, with the instructor's chairperson to remove the deficiency prior to the following midsemester for the undergraduate student and within one calendar year for the graduate student. In either case, the instructor with the knowledge of the student and the department chairperson and the approval of his/her academic dean may extend the time limit, or in the instructor's absence, the department chairperson with the approval of his/her academic dean may extend the time limit by which the incomplete work must be finished. The new grade assigned to change an "Incomplete" shall be reported to the Registrar and the department chairperson within one month after the student has completed the required course or the deadline or extended deadline has passed. At the expiration of the deadline or extended deadline, the instructor shall change the "Incomplete" to the appropriate grade, or the grade of "Incomplete" shall remain on the student's record. Students may not reregister for a course in which a grade of "Incomplete" appears on the student's academic record.
