ANNUAL REPORT OF THE ADMINISTRATOR EVALUATION COORDINATING COMMITTEE
ACADEMIC YEAR 1993-94

This had been a rather quiet year for this committee. We coordinated the evaluation process for two administrator's under our purview; President Robert Carothers and Dean Louis Luzzi. Both of these evaluations are moving forward in a satisfactory manner as this report is being written. Both should be completed by the end of the summer. The next two years should be much more active than this past year. The evaluations for Deans Rogers, Stern, Brittingham and Strommer will have to be coordinated during the '94-95 academic year. Deans Jean Miller and Robert Miller, Vice Provost Leinen and Provost Swan will be evaluated during the '95-96 academic year.

In terms of legislation that deals with the evaluation process by faculty, this committee would like to recommend two changes in Section 10. 90. 14 of the UNIVERSITY MANUAL. Additions are in **boldface** and deletions are in (parentheses) in the first two sentences of this section:

The written results of each evaluation shall be disseminated to the administrator involved, (and to) his or her immediate supervisor, **and to the President** by the evaluation committee for each administrator. The results of the President's evaluation shall go only to the President **and to the Chairperson of the Board of Governors.**
