**REPORT OF THE EXECUTIVE COMMITTEE

**ESTABLISHMENT OF THE JOINT CLASSROOM STEERING COMMITTEE
As approved by the Faculty Senate on February 22, 2007**

BACKGROUND

At the September 28 meeting of the Faculty Senate concerns about classrooms and responsibility for their equipment, design and maintenance were raised during the discussion of the spring 2006 faculty survey. Ms. Ann Morrissey, Director of Planning Services and Executive Assistant to the President, followed up immediately. She noted that there were a number of ad hoc and informal groups responsible for various aspects of classroom support and management but no formal committee on classrooms. Ms. Morrissey brought the appropriate ad hoc groups and interested parties together, including the Faculty Senate Chair and Coordinator, to work on classroom issues. In consultation with the President and the Provost, the Executive Committee proposes the establishment Joint classroom Steering Committee that will have Senate representation and will report regularly to the Faculty Senate.
