To: andree@uri.edu

Dear Andrée,

I am writing on behalf of the NETSL Executive Board to see if you would consider expanding your proposed 7 minute lightning talk entitled "KBART Phase III Update" to a 60 minute breakout session. We are very interested in your topic and think it would work well as a breakout session. Please let us know as soon as possible if this would be acceptable to you.

Thank you,
Lori Looney
Outreach Officer, NETSL Executive Board
