THANK YOU . . .

I would like to take this opportunity to thank a number of people whom I feel have contributed a lot of their time, effort and patience to the Renaissance yearbook staff and have made this 1995 edition possible. First of all, I'd like to give a big thanks to Norval Garnett, our Jostens Representative, for all of his time, patience and ideas. He has been with us a long time and is irreplaceable. I would also like to give a special thanks to Bruce Hamilton and Maureen McDermott, who have both given a lot of support to the yearbook, and especially to myself. I truly appreciate all of your help. I also want to give a thanks to the following: John Dewaele, our photography representative from T.D. Brown, Tom Dougan, for his help with providing the labels I always seemed to need, the scheduling office, namely Betty, for help scheduling rooms for senior pictures, the coaches, the people working the information desk who answered so many questions concerning the yearbook, and the presidents of the student organizations. Last but not least, I would like to thank my staff, especially Tina and Mary-Lyn, for all of their hard work this past year. Good luck next year. I hope everyone enjoys the book.
