WELCOME TO
THE UNIVERSITY OF RHODE ISLAND
THE FRESHMAN RECORD
The University of Rhode Island is a co-educational, state-assisted institution. It is one of the original land grant colleges and in 1971 became one of the first four sea grant colleges in the country. It is located in the village of Kingston, in South County, 30 miles south of Providence and just 6 miles from the ocean. The University's main campus encompasses 1200 acres off R.I. Route 138. The center of the campus is a quadrangle campus surrounded by beautiful granite buildings that comprised the original campus. Academic buildings, residence halls, fraternities and sororities are all within walking distance. Just below these areas, are the gyms, the athletic fields, tennis courts and a freshwater pond. Greenhouses, dairy barns, and agricultural experiment areas are also nearby. The University is also responsible for the maintenance of two other campuses. The Bay Campus in Narragansett, R.I. and the W. Alton Jones Campus in West Greenwich, R.I.

The University consists of eight Colleges: Arts and Sciences, Business, Engineering, Human Services and Sciences, Nursing, Pharmacy, Resource Development, and the University College. There are over 1000 faculty and staff members serving students in URI's academic and business departments. Graduate programs exist in many Colleges, including the internationally known Graduate School of Oceanography.

URI was originally established as a state agricultural school on March 23, 1888. It became a state College in 1892, and was officially named Rhode Island State College on 1909. On March 23, 1951, the Rhode Island State College was granted University status by the state legislature, and the University of Rhode Island has continued to grow since then. The land the University is presently situated on was once the farm of Oliver Watson. The restored, colonial Watson farmhouse, still standing today, is in the heart of the campus, on Alumni Avenue surrounded by Tucker Hall, the University Library and Phi Gamma Delta Fraternity.

Your College years will be filled with many memories. URI is a place to grow, learn, and share many experiences, in the classroom and out. Variety is the word in academics, activities, and atmosphere. Throughout the University there are people with different interests getting together and sharing their ideas. There is a sense of community which develops on campus, not only for students, but for faculty and staff as well.

Lifestyle also vary. There are dorm, Greek, and "off-campus" lifestyles. Many students elect to experience more than one lifestyle during their years at URI. Wherever you live, there will be numerous opportunities to meet new people and make new friendships.

The Panhellenic Council, made up of representatives from each of the eight sororities, is the major governing body of the sororities. Meetings are held twice a month to ensure cohesiveness among the chapters and handle problems which may arise for the houses. The Panhellenic Council holds a formal rush during the fall semester when the houses are recruiting new members.

The Interfraternity Council also has representatives from each of the fifteen fraternities. Each of the fraternities are nationally affiliated and governed by the Council. The Interfraternity Council provides many services for its member fraternities, setting rush policies and promoting unity between houses.
