**LIBRARY IMPACT STATEMENT
LIBRARIAN'S ASSESSMENT**

Course: BUS 390 *Junior Career Passport Program*

Department, College: College of Business Administration

Faculty Member: Prof. Deborah Rosen

Date returned to Faculty: 21 December 2009

Librarian Completing Assessment: Prof. Andrée J. Rathemacher

The Library Impact Statement for BUS 390 *Junior Career Passport Program* indicates that students will not be conducting research in the course that will require the use of the library. Further, the Library Impact Statement lists no critical journals, monographs, or electronic resources that the library must have in order to support the course.

Based on this information, I conclude that the University Libraries can meet the needs of BUS 390 *Junior Career Passport Program* with no additional resources. In my role as Subject Selector for the College of Business Administration, I support the addition of this course without reservation.
