Dear Senator Pell,

I am writing on behalf of The College Art Association to thank you for including the Cultural Partnerships for At-Risk Children and Youth Act of 1994 in S.1513, the Reauthorization of the Elementary and Secondary Education Act of 1994. CAA strongly supports the inclusion of the Cultural Partnerships Act as it is legislation of this sort that recognizes the importance of bringing programs for art education to the economically disadvantaged sectors of our society.

CAA commends your work in improving the lives of our nation’s disadvantaged youths.

Sincerely yours,
