“(f) (1) The Chairman, with the advice of the National Council on the Humanities, is authorized to establish and carry out programs of grants-in-aid in each of the several States in order to support not more than 50 per centum of the cost of existing activities which meet the standards enumerated in subsection (c), and in order to develop programs in the humanities in such a manner as will furnish adequate programs in the humanities in each of the several States.

“(2) In order to receive assistance under this subsection in any fiscal year, any person or entity desiring to receive such assistance shall submit an application for such grants at such time as shall be specified by the Chairman and accompany such applications with a plan which the Chairman finds—

“(A) provides that funds paid to the grant recipient will be expended solely on programs which carry out the objectives of subsection (c);

“(B) establishes a membership policy which is designed to assure broad public representation with respect to programs administered by such grant recipient;

“(C) provides a nomination process which assures an opportunity for nomination to membership from various groups within the State involved;
"(D) provides for the rotation of the membership and officers of such grant recipient on a regular basis;

"(E) establishes reporting procedures which are designed to inform the chief executive officer of the State involved, and other appropriate officers and agencies, of the activities of such grant recipient;

"(F) establishes procedures to assure public access to information relating to such activities;

"(G) provides that such grant recipient shall make reports to the Chairman from time to time, in such form and containing such information as the Chairman may require; and

"(H) provides that two members of the executive body of such grant recipient shall be appointed by an appropriate officer or agency of the State involved.

"(3) Of the sums available to carry out this subsection for any fiscal year, each grant recipient which has a plan approved by the Chairman shall be allotted at least $200,000. If the sums appropriated are insufficient to make the allotments under the preceding sentence in full, such sums shall be allotted among such grant recipients in equal amounts. In any case where the sums available to carry out this subsection for any fiscal year are in excess of the amount
required to make the allotments under the first sentence of this paragraph—

"(A) the amount of such excess which is no greater than 25 per centum of the sums available to carry out this subsection for any fiscal year shall be available to the Chairman for making grants under this subsection to persons and entities applying for such grants;

"(B) the amount of such excess, if any, which remains after reserving in full for the Chairman the amount required under subparagraph (A) shall be allotted among the grant recipients which have plans approved by the Chairman in equal amounts, but in no event shall any grant recipient be allotted less than $200,000.

"(4) (A) That part of any allotment made under paragraph (3) for any fiscal year—

"(i) which exceeds $125,000, but

"(ii) which does not exceed 20 per centum of such allotment,

shall be available, at the discretion of the Chairman, to pay up to 100 per centum of the cost of programs under this subsection if such programs would otherwise be unavailable to the residents of the State involved.

"(B) Funds made available under this subsection shall not be used to supplant non-Federal funds.

"(5) All amounts allotted or made available under
paragraph (3) for a fiscal year which are not granted to 
any person or entity during such fiscal year shall be available 
to the National Endowment for the Humanities for the pur-
pose of carrying out subsection (c).

“(6) Whenever the Chairman, after reasonable notice 
and opportunity for hearing, finds that—

“(A) a grant recipient is not complying substan-
tially with the provisions of this subsection;

“(B) a grant recipient is not complying substan-
tially with terms and conditions of its plan approved under 
this subsection; or

“(C) any funds granted to any person or entity under 
this subsection have been diverted from the purposes for 
which they are allotted or paid,

the Chairman shall immediately notify the Secretary of the 
Treasury and the grant recipient with respect to which such 
finding was made that no further grants will be made under 
this subsection to such grant recipient until there is no longer 
a default or failure to comply or the diversion has been 
corrected, or, if the compliance or correction is impossible, 
until such grant recipient repays or arranges the repayment 
of the Federal funds which have been improperly diverted 
or expended.

“(7) The Chairman may not make grants to more 
than one person or entity in any State.”.
