Welcome To

University of Rhode Island
WELCOME

Dear New Student,

On behalf of URI Greek System, we would like to welcome you to the University. You have made a decision that starts an adventure that you will remember for a lifetime.

URI offers many things for students to become involved in. There are many clubs, organizations, athletic teams, intramural sports, academic activities, and of course the Greek System.

We hope that in reading this publication you will have a better knowledge of options that are available. We also hope that you consider becoming involved at the University of Rhode Island and that your adventure is the best it can be.

Sincerely,

Caighln Macalister

DON'T QUIT

When things go wrong, as they sometimes will,
When the road you're trudging seems all up hill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Reset, if you must but don't you quit.
Life is queer with its twists and turns,
As everyone of us sometimes learns,
And many a failure turns about
When he might have won had he stuck it out:
Don't give up, though the pace seems slow
You might succeed with another blow.
Often the goal is nearer than
It seems to a faint and faltering man,
Often the struggler has given up
When the might have captured the victor's cup.
And he learned too late, when the night slipped down,
How close he was to the golden crown.
Success failure turned inside out
The silver tint of the clouds of doubt
And you never can tell how close you are.
It may be near when it seems afar.
So stick to the fight when you're hardest hit
It's when things seem worst that you mustn't quit.
