Dear Senator Kennedy,

For twenty years now, I have known Dr. Sheldon Hackney as the son-in-law of Clifford and Virginia Durr of Alabama — who were, for many years, leaders in the New Deal and other important posts. Dr. Hackney is a man of fine character with high integrity and intelligence, and he is a supporter of the First Amendment. I hope you will give him every consideration as Chairman of the National Endowment for the Humanities. I believe Sheldon is a gentleman, a scholar and a very able person to head the Humanities.

With high regards,
