The Honorable Claiborne Pell
U.S. Senate
Washington, D.C. 20510

Dear Senator Pell:

Please support the "Community Arts Partnership Act," during the reauthorization of the Elementary and Secondary Education Act (S.1513). This amendment provides grants to partnerships of local education agencies and cultural entities to employ the arts to improve the educational performance of students at-risk.

The real-world effect of arts in the curriculum is to raise abilities across the board, particularly in the sciences. Imagine science without visualization or engineering without drawing/drafting...study without pictures.

I appreciate your support.

Sincerely,

John S. Slorp
President
