Dear Mr. Crary:

Many thanks for your letter of the first, on the subject of possible availability of funds from the Humanities Endowment in support of attendance at a meeting of the Scientific Council of the Institut für deutsche Sprache in Mannheim, Germany. Your suggestion of the ACLS as a possible source of a grant is appreciated. From my times as a member of the Council I know of the limitations on its resources; but I'll give it a try.

With best wishes and thanks,

W. Freeman Twaddell
