Welcome
University of Rhode Island
Dear New Students,

On behalf of the URI Greek System, we would like to congratulate you on your acceptance and give you a warm welcome to what poses to be the best years of your life! You are about to encounter new cultures and ideas, as well as opportunities to expand your knowledge. By choosing URI, you've opened doors to innumerable possibilities in all facets of life.

The university provides you with numerous academic programs to ensure you future success. URI offers a multitude of areas in which to study, so you are bound to find a subject in which you have an interest. Along with achieving a quality academic career, it is essential to create an extra curricular life as well. URI offers a wide variety of organizations, clubs, and activities to make your experience at the university even more memorable through the friendships that are bound to develop through participation. As active members in the Greek System, we would like to encourage you to explore fraternity and sorority life at the university.

Greek life offers possibilities in social life, scholarship, leadership, community service, but most importantly, the opportunity to develop lifelong friendships. The benefits of being a member of the Greek system go far beyond your college experience. The bond of brotherhood and sisterhood cannot be found in any other aspect of life. The life of a Greek cannot be summed up in any letter, book, or picture; it is an experience that we invite you to discover for yourself.

We would like to wish you the best of luck in all of your endeavors at the University of Rhode Island. Take advantage of all of the opportunities available. Good luck and we hope that you get the most out of your experience.
