Who's New on Campus 1989
FRESHMAN TIPS

— Get involved — college means a lot more than books.
— Keep your room neat on weekends — parents are known for surprise visits.
— Get a copy of The Good 5¢ Cigar to know what’s going on.
— Washing machines eat socks and quarters.
— Keeping up on reading takes less time than catching up.
— The library is a good place to study — and scope!
— Watch for the “Freshman Fifteen” — pounds!
— Be considerate — not everyone parties all the time.
— If your roommate disappears, remember there are 24 hours in a day!
— Guys, don’t wash a red shirt with whites!
— Pizza and beer are fattening — but fun!
— Vivarin and NoDoz will give you the shakes.
— You can’t read an entire history book in one night, no matter how badly you want to.
— Jolt cola works.
— You will make it through registration.
— LEARN TO LOVE BEER!
— Vote in campus elections.
— Don’t be discouraged with the grade on your first Calc 141 exam.

Over 100 Years of Excellence

The University of Rhode Island is a co-educational, state-assisted institution. It is one of the original land grant colleges and in 1971 became one of the first four sea grant colleges in the country. It is located in the village of Kingston in South County, 20 miles south of Providence and just 6 miles from the ocean. The University’s main campus encompasses 1200 acres off R.I. Route 138. The center of the campus is a quadrangle surrounded by beautiful granite buildings that comprise the original campus. Academic buildings, residence halls, fraternities and sororities are all within walking distance. Just below these areas, are the gyms, the athletic fields, tennis courts and a freshwater pond. Greenhouses, dairy barns, and agricultural Campus in Narragansett, R.I. and the W. Alton Jones Campus in West Greenwich, R.I.

The University consists of eight Colleges: Arts and Sciences, Business, Engineering, Human Services and Sciences, Nursing, Pharmacy, Resource Development, and the University College. There are over 1000 faculty and staff members serving students in URI’s academic and business departments. Graduate programs exist in many Colleges, including the internationally known Graduate School of Oceanography.

URI was originally established as a state agricultural school on March 23, 1888. It became a state College in 1892, and was officially named Rhode Island State College in 1909. On March 23, 1951, the Rhode Island State College was granted University status by the state legislature, and the University of Rhode Island has continued to grow since then. The land the University is presently situated on was once the farm of Oliver Watson. The restored, colonial Watson farmhouse, still standing today, is in the heart of the campus, on Alumni Avenue surrounded by Tucker Hall, the University Library and Phi Gamma Delta Fraternity.

... And the Terminology

ACTIVE—a fully initiated member of a fraternity or sorority.

ALUMNUS—an active member of a fraternity or sorority who leaves the collegiate chapter.

BID—an official invitation to a rushee to pledge a fraternity or sorority.

CHAPTER—the name given to a collegiate branch of a fraternity or sorority.

FRATERNITY—a national organization for men based on mutual interest, friendship and assistance.

GREEK—sorority and fraternity members.

INDEPENDENT—a person who is not a member of a Greek organization.

INITIATION—ritualistic ceremony by which pledges receive full membership.

IFC—Interfraternity Council, a representative governing body of all fraternities.

LEGACY—a rushee whose parent, brother or sister was a Greek.

PANHELLENIC ASSO.—the association governing University sororities, designed to coordinate its member groups.

PLEDGE—a student who has accepted the bid of a fraternity or sorority and who enters into a period of training to learn the history, traditions, and goals of the group.

PREFERENCE CARDS—a card a sorority rushee signs at the close of formal rush indicating her order of preference for the sororities from which she will accept bids.

QUOTA—the number of pledges a sorority may have.

RUSH—the time when an independent becomes acquainted with the Greek system on campus and its members.

RUSHEE—a student who is registered for formal rush and is attending rush functions.

RUSH COUNSELOR—Panhellenic delegates from the individual chapters on campus who are trained to aid rushees. During rush, they will give advice, answer questions, and help you make your own decision about sorority membership.

SORORITY—a group of girls banded together for educational and social purposes. It is a living experience because it is girls living and working together.
The Panhellenic Council, made up of representatives from each of the seven sororities, is the major governing body of the sororities. Meetings are held twice a month to insure cohesiveness among the chapters and handle problems which may arise for the houses. The Panhel holds a formal rush during the fall semester when the houses are recruiting new members.

The Interfraternity Council also has representatives from each of the sixteen fraternities. Each of the fraternities are nationally affiliated and governed by the Council. The IFC provides many services for its member fraternities, setting rush policies and promoting unity between houses.

Dear New Student,

We would like to take this opportunity to welcome you to The University of Rhode Island. We hope the record will help answer some questions you may have about the University as well as give you some idea about what life is like at URI.

There are several pages included on Greek Life. As members of the Greek system, we would like to encourage you to explore fraternity and sorority living as a possible alternative.

The record contains some information about what campus organizations and activities are available at the University. It is worth your while to become involved in these organizations. They provide excellent leadership opportunities and need your help.

Finally, we would like to wish you luck in becoming acquainted with the University. Make the most of your college years and make every day count. Good luck in your college career.

Sincerely,

Robin Waterman

Lloyd Sprague
