Dear Mr. Curee,

As of this date (Apr 23, 81) the National Student & Ma Arts has not reassigned me (as per your letter of June 2, 81 to my attorney Mr. Sturgeon) or your letter of June 3, 81 to Senator Hatches — despite weekly requests from me. Please help.

They have refused my request for just compensation and damages to the employers injuring her at less damages to a family by their illegal acts, which were called to their attention by me as early as 1979, but still-called by them.

I think you must agree we have waited a reasonable time, and

by accepting this pay and reimbursement if at any time, may I still file in court for injury and
