The Honorable Clairborne Pell  
United States Senate  
Washington, DC 20510

Dear Senator Pell:

I would like to take this opportunity to urge the reconfirmation of Daniel H. Carter of Texas as a member of the National Commission on Libraries & Information Science.

As a former Chairman and current member of NCLIS, I can only tell you that Dan has given unselfish and dedicated service to the Commission and to the White House Conference on Library and Information Services.

I heartily recommend Dan for reappointment and think it would be a travesty if for any reason he were not reconfirmed.

Thank you very much for your consideration.

Best regards.

Sincerely,

Gerald C. Newman
