The Welcome Project

The Welcome Project is a diverse group of URI students, faculty, and staff organized to examine and address the climate for Gay, Lesbian, Bisexual, Transgender, Queer, and Questioning (GLBT) individuals on the URI campuses and beyond. The purpose of the Welcome Project is to affirm the dignity of all members of the URI community regardless of sexual orientation and gender identity/expression, as well as to promote a safe, comfortable, and inclusive environment for all. The Welcome Project strives to identify and eliminate various forms of discrimination based on sexual orientation and gender identity/expression, and works toward developing a tradition of visibility and respect for GLBT people within our community.

The Welcome Project Sticker

There are three main symbols to the Welcome Project Sticker: the triangle, the rainbow background, and the Rhody Ram.

The Triangle represents a common symbol of pride in the GLBT community and is a reminder of oppression and discrimination faced by GLBT individuals in the past and present.

The Rainbow background serves as a symbol of GLBT unity and diversity worldwide.

The Rhody Ram is a symbol of our University’s pride. On the rainbow triangle it signifies the Welcome Project’s mission to make URI an inclusive, proud, and welcoming community.

Displaying the sticker shows an individual’s commitment to creating a more welcoming and affirming atmosphere.

Simple suggestions to show your support for The Welcome Project:

- Work to gain an understanding and an appreciation of the social dynamics that include GLBT people and their conditions. Remember, privilege obligates as much as oppression degrades.
- Do not assume heterosexuality, homosexuality, or gender identity. Do not discriminate based on a person’s appearance, history, or self expression.
- Do not use or tolerate inappropriate humor and biased language such as “Fag,” “Dyke,” “Homo,” “Tranny,” “It,” “That’s so Gay.”
- Be open, and welcome discussion of GLBT topics.
- Support/attend GLBT programming and services on campus.
- Wear supportive clothing. For example, “gay? fine by me” T-shirt or rainbow pins.
- Display The Welcome Project sticker.
- Join The Welcome Project.

The Welcome Project invites everyone to attend our regularly scheduled meetings and to visit our website:

Simple suggestions to create a more welcoming environment:

- Nurture environments that make it comfortable for individuals to come out on their own terms. Do not “out” people.
- Initiate discussions about GLBT topics and issues in classes and meetings.
- Post anti-discrimination and GLBT supportive literature and posters in public areas.
- Challenge homophobia, transphobia, and heterosexism whether GLBT people are present or not.
- If you witness discrimination of any kind, report it. See the back of this brochure for contact information.
- Do not be afraid to ask questions and seek answers.
