The Honorable Claiborne Pell
325 Russell Senate Office Building
Washington, D.C. 20510

Dear Senator Pell:

On behalf of the Rhode Island State Council on the Arts and its constituents I would like to thank you for your support of S.2225. At negligible cost, this measure would have given equitable treatment under our tax code to authors and artists.

As you know, the measure was not included in the tax legislation reported by the Finance Committee. We will look to you again for support when this matter is raised.

Thank you for your continuing commitment to the arts in Rhode Island and nationally.

Sincerely,

Christina A. White
Executive Director
